REPORT OF FIRE DEPARTMENT

To the Board of Selectmen, Town of Seabrook, N. H.

I hereby submit my report for the period ending December 31, 1944.

Total number of Fires	21
Building Fires	1
Grass and Rubbish	10
Chimney Fires	6
Trucks and Automobiles	1
Out of Town	3
Permits Issued	3

Outside help has been called twelve times in the past year. Salisbury, 3; Hampton, 4; Newburyport, 2; and Exeter, 3.

I would like to ask the townspeople to be very cautious about starting fires in the open and be prompt in reporting uncontrolled fires as manpower is short and fires at this time may mean loss of valuable woodland and possibly your homes. Please get a permit for any outdoor burning and remember that permits can be issued only on damp and rainy days. Violators will be prosecuted by the State Forestry Department.

In closing I wish to thank the Fire Departments of surrounding towns, the Board of Selectmen, Members of the Fire Department and all other Townspeople who have assisted us in our work.

In Case of Fire Call 1768.

Respectfully submitted,

GEORGE A. WEARE, Chief.

ANOTHER ENEMY TO CONQUER

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules :

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.
2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.
3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.
4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.
5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.
